

# Animal list

Column 1	Number of animals in collection at 1 <sup>st</sup> January 2007
Column 2	Number of animals received in 2007
Column 3	Number of animals born or hatched in 2007
Column 4	Number of animals died during 2007
Column 5	Number of animals transferred out in 2007
Column 6	Number of animals in collection at 31 <sup>st</sup> December 2007

## Key to abbreviations

Aquatic Species Programme (ASP)

European Endangered Species Programme (EEP)  
A managed programme of the European Association of Zoos and Aquaria.

European Studbook (ESB)  
A managed programme of the European Association of Zoos and Aquaria.

Monitored Species (Mon) – A species that is monitored by a Taxon Advisory Group (TAG) through surveys examining general population trends rather than through a studbook. The work is undertaken by a Species Monitor.

Scientific name	Common name	Management status	Inventory
